Motion For Physical Examination

Pursuant to Fed. Rule. Civ. Proc 35 Plaintiff herein request this Court for a physical examination by an Orthopedic who does not hold contract with DSCS, CMS, Wexford.--

Plaintiff has been informed by Nurse Practitioner that he was experiencing "frozen shoulder and once 'frozen' the orthopedic cannot conduct surgery.

Plaintiff is severely suffering from sharp shrinking, twitching, cramping stiffness, tightness, harden up, locking up, pressure, inflammation, shredded stabbing, shooting, pulsing, Tingling, pinprick stinging, burning, abnormal body temperatures, pulling as not in mint condition makes grating sound. See Diagram (attachment E)

Medical dept. is well aware of such condition but with deliberate indifference intentionally denying plaintiff to see an specialist that will be able to tell them there is something that needs to be done.

Respectfully submitted
